Dear Friends of the Cannon Spouses' Club,

The Cannon Spouses' Club's Third Annual Scholarship Golf Classic will take place on 29 April 2011 at the Whispering Winds Golf Course at Cannon Air Force Base. Scramble starts at 11:00 am and ends with an awards picnic in the park.

The purpose of the CSC is to serve our active duty military members, their families, and our local communities. The CSC Thrift Store, located at Cannon AFB provides quality clothing, second-hand furniture, and household goods at minimal costs. Additionally, we manage the Airman's Attic which provides free clothing and household items for Cannon families in need. We reach out to our local communities including the Portales Children's Home and our veterans in local medical care facilities. Our largest project provides scholarships to active duty personnel and their dependents, as well as retired personnel and dependents who desire to further their education.

The CSC Golf Classic raises the needed funds for our scholarship awards. Your support is key in making this year's golf tournament successful and offers a great opportunity for your company to receive exposure and show your support for our military. In the 2009 CSC Golf Classic, local individuals and businesses participated in providing over \$7,000 in scholarships – and enjoyed every minute!

Enclosed, please find details for the different sponsorship and participation opportunities. If you are interested in sponsoring one of the eighteen holes, please fill out the attached forms and mail them to The Cannon Spouses' Club. Other ways to support our scholarship program include sponsoring a airman to play in the tournament, cash donations, and providing catering for the awards banquet.

If you have any questions concerning sponsorship, please call 575-784-7878 or CSCgolfTourney@gmail.com. Make checks payable to the Cannon Spouses' Club, a non-profit organization. Donations are tax deductible. If you'd like to golf in the tournament, we welcome you! Please fill out the Player's Registration Form included in this packet.

Thanking you in advance for your support!
